Meet our Student Service's Team

Angela Watt, School Counselor at Beaumont. I am at Beaumont on Mondays and Wednesdays and while I am here you might find me teaching lessons in the classroom, on the playground teaching social skills/games, or in my office helping students with whatever life challenges they may be going through.

Hi, I'm **Joe Coleman, the School Psychologist** for Beaumont Elementary and West High School. I moved here from Florida and I attended Florida State University. There I obtained my Ed.S degree in school psychology and an M.S. degree in human systems. I work in the student services department here at Beaumont. I am looking forward to building relationships with the students, parents, and staff of Beaumont Elementary.

Hello! My name is **Michelle Charles** and I am the **School Social Worker** at Beaumont Elementary! Some of my responsibilities at Beaumont include helping to bridge the gap between school, home,

and the community in order to support our students' success, connecting families to needed resources, collaborating with school staff on interventions, and meeting with students to work on various issues. I look forward to being part of your team and learning about how I can support you and your student(s)!

HAPPY
new
YEAR

Beaumont News

Every Day Counts!

At Beaumont Elementary School, we continue to focus on the importance of students attendance. Many parents don't realize how important good attendance is for student success. Studies have shown that students who miss too much school in the early grades fall behind their peers in reading and are more likely to drop out of high school. Sometimes students miss school because of issues like illness, unreliable transportation, limited access to health and dental care, difficult morning routines, or unstable housing and other financial issues. We want you to know that we are here to support you if your family encounters any of these issues! Please call our school social worker, Michelle Charles, at 920-448-7335 if you are struggling with your child's attendance. We do not want to see any child at Beaumont fall behind due to attendance.
