April 2024

Beaumont News

Looking ahead to the Green Bay Blizzard Dash-4-Cash on Friday April 19th. Every child 12 and under gets a free ticket with the purchase of an adult ticket!

Can we get the biggest and loudest cheering section?!

THE ZONES IN ME

-Help them see how to regulate-

One way you can help your child at home learn the Zones, is to make comments aloud so they understand it is natural that we all experience the different Zones and use strategies to control (or regulate) ourselves. For example, "This is really frustrating me and making me go into the Yellow Zone. I need to use a tool to calm down. I will take some deep breaths."

Math News

APRIL IS MATHEMATICS AWARENESS MONTH. IT'S IMPORTANT FOR CHILDREN TO RECOGNIZE MATH IN EVERYDAY LIFE AND TO EXPLORE THESE OPPORTUNITIES FOR LEARNING WHEREVER IT MAY OCCUR.

THESE MATHEMATICAL MOMENTS OFTEN POP UP IN THE KITCHEN, GROCERY STORE, ON THE ROAD, WHEN DOING CHORES, OR PLAYING WITH TOYS AND GAMES. TALK WITH YOUR CHILD ABOUT THEIR NOTICING AND WONDERINGS WHEN THINKING ABOUT REAL LIFE MATH QUESTIONS TO HELP THEM LEARN AND GROW.
